

Lebanon Earth Day

April 30, 2016

(Rain or Shine - No rain date)

9:00 am to 3:00 pm

In the Spirit of Community and Taking Care of Our Town,
Please Help Clean Up Lebanon for Earth Day

Clean up Lebanon the entire month of April

Residents may pick up trash bags prior to Earth Day in the First Selectman's Office.

Earth Day in Lebanon...

- Taking care of our world and preserving it for the future begins at home.
- Clean up projects are planned all around town. By helping out, you can be part of this community wide effort to beautify our town.
- Help us make our schools, road sites, town owned grounds, visible visited sites litter free, green, and clean this spring.
- Families are encouraged to work together. Giving one morning to benefit your town can make a world of difference.
- Working can be fun, when we all work together. Projects are planned to clean up the whole town. If you can join in, there's plenty of work to go around.

Please Volunteer

How to Get Involved...

- Come to the Earth Day Information Booth, located at the Public Parking Lot, Route 87 from 9:00 am until 3:00 pm on April 30th. Project locations and work area assignments can be obtained for everyone who wants to help.
- Bring your work gloves, shovel, or rake to help with mulching trees and gardens. Young children can bring their shovels and beach buckets to help spread mulch.
- Clean up roadside litter:
 - lay filled bags off the paved edge of road and contact 860-642-6100 for Garage to pick up OR
 - bring to the Transfer Station on Earth Day at no cost for disposal OR
 - bring to the Town dump truck at the library parking lot on April 30th.
- Take home a seedling to plant in your own yard...

Thank you!
